

WILDLIFE ART CONTEST

**What will my artwork look like
In the published book?**

The ***PA Wildlife Journal*** is a 300 page resource book on Pennsylvania birds & mammals designed for school students and the general public.

Combining natural history, colorful photographs, graphics & children's artwork, the book should be a welcome study aid to students, or a colorful addition to the family library.

Books will be available for sale through our District, local bookstores & online websites.

Here is a sample page illustrating how your artwork may be used.

If you would like to be a part of this exciting project, please enter our contest.
