- **Pennsylvania Woodlands-Dead Wood for Wildlife**
- **From The Woods – White-tailed Deer**
- **Skull Study Sheets**: general information & skull species ID

Focus:

- Students should focus on wildlife species listed; identification and physical & behavioral adaptations.
- Students are responsible for information on 15 separate "Wildlife Notes", but 23 different species.
- Students may be asked to identify animals by pelts, skulls, mounts, photos, feathers, wings, etc.
- Students need to be aware of each animal's habitat and its relationship to other species.
- Students will need to have an understanding of Pennsylvania Game Commission functions and programs as per the resources on the above list.

Sample Question:

- The elk is the second largest member of the deer family in North America.
  True False
