

**Watershed Committee Meeting**

**March 12, 2026**

**York County Conservation District**

**2401 Pleasant Valley Road**

**6:00 PM**

**Room 214**

**Agenda:**

**Large Woody Debris Removal Application Approval**

**Agenda Item: 1**

**Laurel States Property Owners Association LWD Project:**

This project proposes the removal of a log jam that has accumulated on a large mill dam located along Kreutz Creek within the HOA's property. The obstruction poses a potential risk due to debris buildup at the dam structure.

**Agenda Item 2:**

**LWD Program Updated Guidelines:**

Discuss the changes to the Large Woody Debris Program Guidelines.
