

## **LARGE WOODY DEBRIS REMOVAL CONTRACTOR LIST**

This contractor list is provided for informational purposes only. The York County Conservation District does not endorse, recommend, or guarantee the work of any contractor included on this list, nor does inclusion imply qualification or approval for any specific project.

Property owners and project sponsors are solely responsible for selecting and contracting with a qualified contractor. The York County Conservation District does not require the use of any contractor listed herein.

It is the responsibility of the property owner or project sponsor to verify contractor qualifications, insurance, references, and compliance with all applicable federal, state, and local regulations.
